United States District Judge

The Court finds that the sentencing hearing to be held today cannot be further delayed without serious harm to the interests of justice, for the following reasons:

1. To permit the defendant to obtain a speedy resolution of his case through a timely sentencing to afford appropriate punishment and rehabilitation, and the defendant making amends to any victims through an admission of responsibility. The defendant has asked for this case to be resolved today by a timely sentencing.
2. To permit the Government to obtain a resolution of the case so that the Government, already operating in a restricted capacity due to the emergency, may appropriately focus its resources on other, emerging criminal matters. The Government has asked for this case to be resolved today through a timely sentencing.
3. Furthermore, the offense occurred in May of 2018, and this case was charged by indictment in August of 2019, and the defendant, Kevin Rogers, would like to move forward and resolve this case without undue delay.
